## IMPORTANT! I recorded you masturbating! I have Info.mp4 video file!

To info@curtiseads.com

ATTENTION: [info@curtiseads.com](mailto:info@curtiseads.com)

The last time you visited a porn website with teenagers, you silently downloaded and installed the software I developed.

My software has turned on your camera and recorded both your screen and an act of your masturbation..

My sneaky program also downloaded all your email contact lists and a list of your friends from social networks.

I have the - Info.mp4 video file - with you jerking off to teenagers, as well as a file with your relatives and associates email addresses.

After downloading those files let me say one thing: your fantasies are far beyond the normal!

If you want me to delete both files and keep your secret, you must send me the Litecoin (LTC) payment.

Litecoin is a secure cryptocurrency, very similar to BTC.

I give you 72 hours only to send the Litecoin transfer.

If you don't know how to pay with Litecoin, visit Google and search - how to buy Litecoin (LTC).

Visit one of the brokers (Coinbase, Bitstamp, anycoindirect), buy Litecoin (LTC) and send it to my address.

Only then I will leave you alone!

At anycoindirect you can pay instantly with SEPA, GiroPay, EPS, Mybank, Sofort, credit cards or Bancontact.

Send 2,000 USD (42.289134 LTC) to this Litecoin address as soon as possible:

(copy & paste - it's case sensitive)

1 LTC = 47,30 USD right now, so send exactly 42.289134 LTC to my Litecoin wallet.

Do not try to cheat me!

As soon as you open this Email I will be notified you opened it.

I am monitoring all actions on your device..

This Litecoin address is linked to you only, so I will know immediately when you send the correct amount.

When you pay in full, I will remove both files (your masturbation video and your contact lists) and I will deactivate my sneaky program.

Changing your password will not help you, I will still have access to your device remotely.

If you choose not to send me the Litecoin transfer...  
I will send your masturbation video to all your friends and associates from your contact lists that I downloaded from your device.  
Your family members will receive it as well. You will regret it, trust me.

Here are the payment details again:

You can visit police but they will not help you with solving the problem.  
My program will still be installed on your device and I still will own your masturbation videos.  
Police will not catch me anyway. I know what I am doing.  
I do not live in your country and I know how to stay anonymous.

Don't ever try to deceive me - I will know it. My program is recording all the websites you visit and all your key presses.  
If you try to trick me - I will send this ugly video to everyone you know, including your family members.

Don't forget the potential shame - your life can be a disaster.

I am waiting for your Litecoin payment.  
You have 72 hours left.

P.S. If you need more time to buy and send me Litecoin (LTC), open your notepad on your device and write '48h more'. Only this way you can contact me. I will consider giving you more time before I release the video, but only when I see that you are really struggling to buy and send Litecoin. I know you can afford it - so do not trick me.
